Confidence, Respect, Discipline, Physical Fitness, Mental Focus

Spartan Samurais is a specialized course designed to build self-confidence, instill respect, and teach discipline to children ages 4-7 years old. The course increases body awareness and integrated motor skill drills! The award winning classes implement exercises, games, and drills that help children develop hand-eye coordination, balance, speed, fast reflexes, and overall flexibility.

Safe, Fun, and Professional

Each class is an exciting workout that challenges the kids both mentally and physically. No experience is necessary. Students are taught that karate is peaceful and that fighting is only used as self-defense. Spartan Samurais are structured to build “character” traits that reinforce strong family values. The classes focus on working towards and reaching new goals each week. This process will boost a student’s self-esteem.

World Renown Experience

The Viola Family has been serving the Western PA area teaching martial arts for over 40 years. William Viola Sr. began teaching karate in 1969. All five of Viola’s children have earned their black belts. Bill Viola Jr. Is an International and World Champion level Champion & Coach. He is also the director of the *Fitness And Sports Tour*, Pittsburgh’s largest and most prestigious fitness expo (as seen on ESPN International). He has made numerous guest appearances for television, film, and radio. His experience includes appearances on networks such as **MTV, NBC, CBS, ABC, FOX, UPN, WB, USA, and ESPN.**
